Royal Mail Group Contract Award

St Ives plc is pleased to announce that it has been appointed by the Royal Mail Group plc to act as the sole supplier of print management services to the Royal Mail Group. The contract will run for a four year term and is expected to have sales of approximately £40 million per annum, once transition of the work from existing suppliers has been completed. The work will be produced at and serviced from a number of St Ives' UK sites as well as by a number of specialist outsource suppliers.
