### Planet Bow Eco Banner Display Stand - Assembly Instructions

1

Remove contents from carry bag.

2

With pole hole facing upwards, insert stabilising foot into rear of bottom horizontal rail.

3

Insert locking pin through holes in horizontal and stabilising foot to secure.

4

Assemble pole sections, ensuring that the bottom, middle, and top are the correct configuration.

5

Fully insert bottom of assembled pole into outer hole in stabilising foot.

6

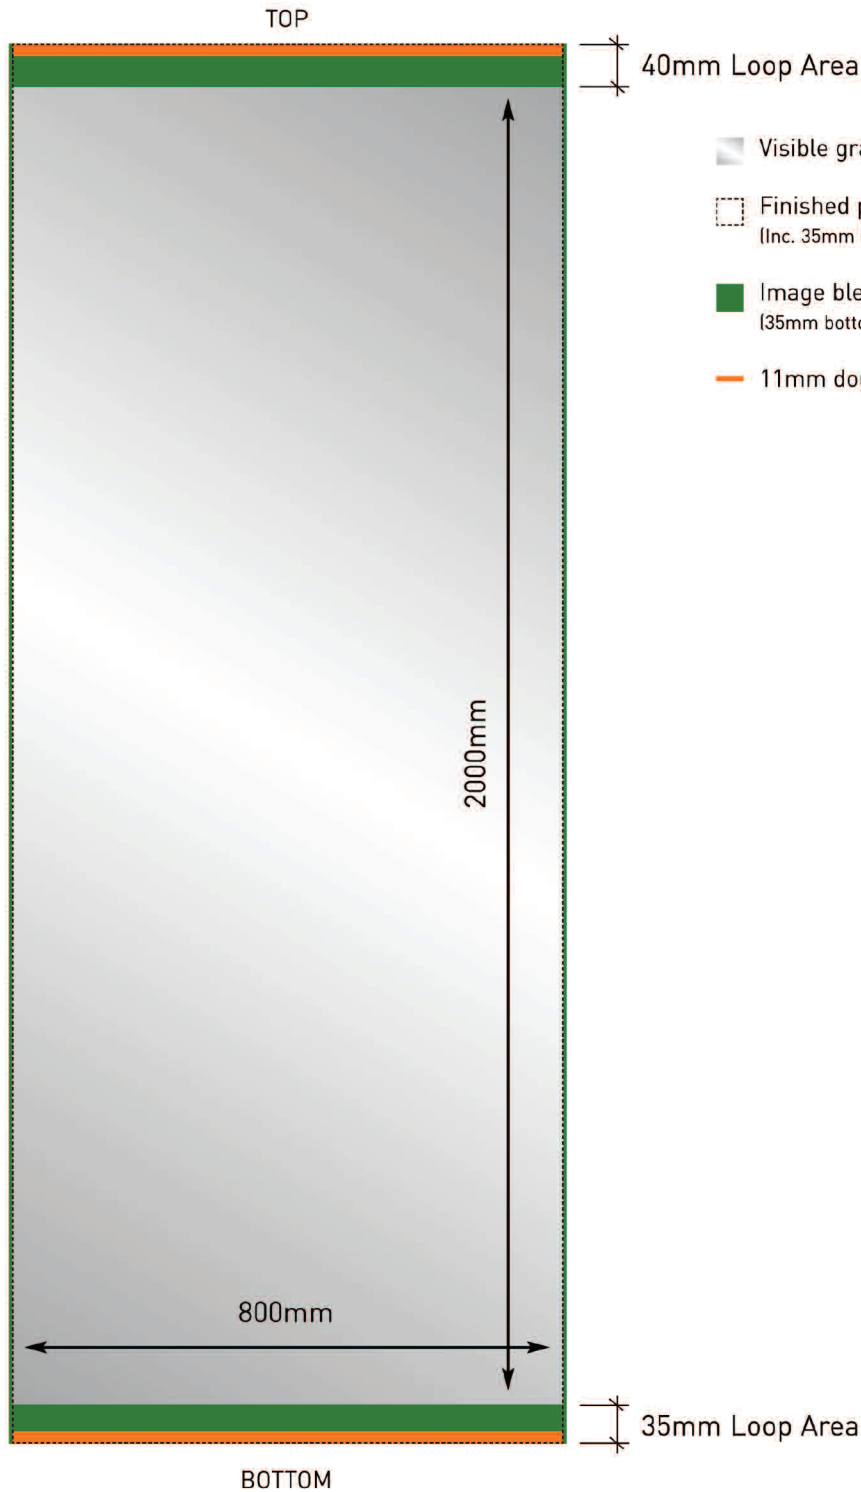

Unroll graphic and hook slot, labelled 'Insert', over metal lip at top of pole. This completes the assembly.
